

PRIVACY NOTICE

Elecomm Ltd take the privacy and security of your Personal Data very seriously. This Privacy Notice outlines what Personal Data We may collect, if any, about you and how We may use it.

We may change this Privacy Notice from time to time. Therefore, We may ask you to check this Privacy Notice occasionally to ensure that you are aware of the most recent version. We will notify you of any changes where We are required to do so.

What Information Do We Collect and How Do We Use It?

If you need to register to use this website, or complete an online form (e.g. to obtain email updates or ask Us to send you further information), then We may collect Personal Data about you such as:

- Name
- Email address

This information is used by Us to administer the website and respond to any queries or requests for information you may have.

Cookies

We do not presently collect any information about how you use the website through the use of cookies (and other similar technologies).

Aggregate Information

We may use aggregate information, which does not identify individuals, to monitor customer traffic patterns to the website and particular pages, as well as site usage, in order to help us improve the design and layout of the content.

Who Will Have Access To Your Personal Data?

Your Personal Data may be made available within Elecomm Ltd. We sometimes employ other companies and individuals to perform functions on our behalf, for example providing technical support for the systems where your Personal Data is held. They may need access to your Personal Data in order to perform their functions but will not use your Personal Data for any other purpose.

We may also disclose Personal Data in order to comply with our legal or regulatory obligations, in response to a non-mandatory request for information made by a governmental or state body, or as part of an investigation of unlawful activity.

International Transfer

Regardless of which country your Personal Data is held in it will be protected in line with our privacy and security policies, as outlined below.

How We Protect Your Information

We have in place appropriate privacy and security policies which are intended to ensure, as far as reasonably possible, the security and integrity of all Our information, including your Personal Data.

Access and Correction

If We process Personal Data about you, then you may have a right under data privacy law to request access to your Personal Data and to correct any inaccuracies.

If you would like to access, correct or delete the Personal Data We hold about you please contact GDPR-Team@elecomm.co.uk quoting the url of this website.

If you have any general queries relating to data privacy in Elecomm Ltd please contact GDPR-Team@elecomm.co.uk.

Opting Out Of Further Communications From Us

If you have elected to receive information about Our products or services and wish to opt-out of receiving such information, then you can do so by sending an email presales@elecomm.co.uk. You should clearly state on all communications: your name, username (if any), registration details (if any) and the name of this website.

Other Information You should note that if Our business (or any part of it) is sold or transferred at any time, the information We hold may form part of the assets transferred, although it will still only be used in accordance with this Privacy Notice.
